**Subject:** Conditions for telephone conference

Debi and Greg

Attached is a copy of a letter setting forth the conditions under which Sheila agrees to make herself available for the proposed telephone conference. Essentially, I want all parties to be clear regarding these conditions to avoid any misunderstandings at the time of the telephone conference. If either party has a problem with any of the conditions, I would be happy to discuss them with that party. If the conditions are acceptable, I will accept a return email with an electronic signature or a signed hardcopy returned by mail.

Once the parties agree, I will provide a list of dates that Sheila is available. I have also mailed a signed hard copy of the letter to the interested parties. I apologize for the delay in getting this letter to you.
